

Soltaire

HENDERSON

Soltaire is een schuifdeurbeslag voor rechtschuivende panelen waar een soepele, geruisloze en duurzame werking gewenst is.

Het Soltaire systeem is geschikt voor binnen/buiten toepassingen en bij uitstek bijvoorbeeld aan de kust.

SOLTAIRE 120

SOLTAIRE 180

SOLTAIRE 250

Karakteristieke eigenschappen van het systeem zijn:

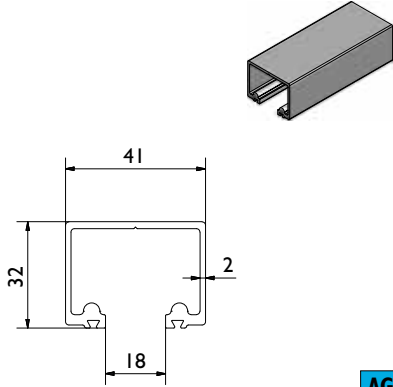

- Hangrollen en geleiders van gegoten hoogwaardige RVS316 kwaliteit.
- Hoogwaardige kunststof loopwielen concaaf gevormd voor een perfecte soepele loop.
- Alle loopwielen zijn voorzien van RVS kogellagers.
- Looprail is van aluminium, naturel geanodiseerd (25 μ m).
- Alle beugels en ondergeleiders van gegoten hoogwaardige RVS316 kwaliteit en/of RVS kogellager.
- Wand- en plafondmontage mogelijk.
- Ondergeleiderail van aluminium, naturel geanodiseerd (25 μ m) met zwart polypropyleen klik-in profiel.
- Er zijn drie railtypen beschikbaar voor een maximum gewicht van 120, 180 en 250kg per deur.
